To: Denis Weily <denis@weilyinc.com.au>, Helen Weily <helen@weilyinc.com.au>

Dear Denis and Helen

I can't wait to see you both again at the gala next month! In the meantime, I am excited to let you know that the repair and renovation project you supported in Nepal is fully established and open for use! Attached is a final project report, which outlines the activities you funded and the resources that have been provided to the Shree Jana Shanti Secondary School. Students have already begun to enjoy the new world of this wonderful new learning space, as well as the written words opened up by the library. Hundreds more will benefit in the years to come. Thank you for helping plant the seeds of literacy in this wonderful community!

All that is left is for the team to hang the dedication plaque which will be hung at the school in your honour and take a photo to share with you. Because of the challenging circumstances our team has been managing following the earthquake last April, installation of the plaques have been slightly delayed. I apologise for this and will be in touch again as soon as possible with an image of your plaque to complete your project reporting.

We send our great thanks for your commitment to empowering children around the world to reach for a better future through education. If you have the opportunity to visit Nepal in the next couple of years I would be delighted to arrange the opportunity for you to visit the school to spend time with the teachers and students. In the meantime, please feel free to contact me with any questions you have about our work or the attached report.

Warmest wishes, Chantal

Chantal Lewis
